

## Press release

Paris, September 26th, 2019

### **STANDARD & POOR'S AFFIRMED AG2R LA MONDIALE'S RATING « A- OUTLOOK POSITIVE »**

The rating agency Standard & Poor's (S&P) confirms SGAM AG2R LA MONDIALE's A- rating, outlook positive, and also for its core subsidiaries :

- La Mondiale,
- AG2R Prévoyance,
- Prima, and
- Arial CNP Assurances.

S&P highlights in particular the financial strength of AG2R LA MONDIALE, its leading positions in France, the volume and scope of its product distribution and the stability of its operational performance.

The positive outlook is confirmed for a maximum of 12 months. Beyond this, S&P could increase AG2R LA MONDIALE's rating if the Group maintains satisfactory operating performance and continues to mitigate its sensitivity to low interest rates.

#### **About AG2R LA MONDIALE :**

As a specialist in social and wealth protection in France, AG2R LA MONDIALE provides individuals, businesses and professional branches with the protection of health, the security of wealth and income, guarding against accidents and preparing for retirement. A company of people with joint and mutual governance, AG2R LA MONDIALE cultivates a unique social protection model that closely combines profitability and solidarity, performance and social commitment. The Group spends millions of euros every year to help vulnerable people and support individual and collective initiatives.
